me here.

Puckett: I will explain to you what happened as the story goes
on.

Stormy: Ok.

Puckett: So, what could you tell me about what happened
earlier? What, who came here.

Stormy: The only person who

Puckett: What...hold it...first. First name?

Stormy: Mine? My name is, I go by Stormy is my middle name,
but my name is Kimberlee Pitawanakwat. K I M B E R L

Stormy: Yeah. It's out of Oregon.

Puckett: Alrighty, so what happened with, when them two people
came here? Or, who were they?

Stormy: The two people that came here was my grandson's
grandmother and

Puckett: Do you know her name?

Stormy: Her name is Carmen. And her son, KT.

Puckett: What is Carmen's last name?

Stormy: Burgee. B U R G E E.

Puckett: Is it just KT?

Stormy: I think so. ? sure about his name.

Puckett: Is his last name Burgee too?

Stormy: Yeah.

Puckett: And, this is your grandson?

Stormy: Yeah, my grandson. My daughter, Waskoness. I've
always had problems with KT coming, trying to seek my
daughter out. He was, he was told not to come here,

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

but, or whatever, to at least give us a heads-up. Carmen was ok to come here, you know. And, he, but they came up, they just showed up tonight. He just walked up to the door. I walked him back out. I said, don't come here, please. And, I mean that is the only thing, I don't want my daughter to go. I just, you know, I'm not just anybody. I am a trained professional like you, but I'm just like, I've been a firefighter since 2005 and a urban, or I was a Wildman, and then a few years back, 2012, I went to fire academy and became a paramedic, basically EMT, and a structural firefighter. It was like a couple different things, I was a part of a rescue tech. So like, when you learn things and how to, how they access stuff, you discovered that you never, that just never leaves your mind, but I just don't agree with the way that he's acting. And my daughter doesn't need to, I just think that he, I just told him to leave. I don't want my daughter to go, so. I, and that's the last that I heard. They left, they went down the driveway and I went in the house.

Puckett: What is your daughter's name?

Stormy: Waskoness. W A S K O N E S S. Same last name.

Puckett: E S S?

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: Yeah. We are all like going through

Puckett: What is her date of birth?

Stormy: It's [REDACTED] of 2000. I don't know her social off the top of my head.

Puckett: And she is here?

Stormy: Yeah, she is here. She was actually in the house. She didn't come outside. She, he came to the door and she, he left. And then she came outside as they were leaving and he was cussing at me because she wasn't leaving. That's the only

Puckett: So, she is 20?

Stormy: Yeah, she is 20. So that was the only, like, dispute. You know, I didn't shoot at anybody. He didn't shoot at me. So I don't, I don't know, like, what is going on. That's the last that I heard. I went inside. Everything as it was, as it is sitting right here. This is exactly what I left it. And so I don't know, nobody came, they were the only car that was here. They're telling me that there was a black truck, or, I don't, I just don't know what they are talking about. I don't even know if they got the right address or what's going on.

Puckett: Yeah. Who do you live here with?

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: I live here with my boyfriend, George. George Dull Knife. And I don't know how many times that they come here accusing him of rifles and things like that and accusing him of things, so. He got pulled over the other day and they were questioning him about where is the guns? We know you have the guns. It's just really ridiculous. I really don't know anything.

Puckett: What kind of vehicle does George have?

Stormy: George doesn't have a vehicle.

Puckett: He don't have a vehicle?

Stormy: (negative). He usually

Puckett: What does he drive, usually drive around?

Stormy: This is my, this black truck and my white truck is the only one that he has drove around before. And he just, I don't, he will never go anywhere with my vehicles unless I'm with him.

Puckett: So does he have friends that he can drive their vehicles, or?

Stormy: Nobody has any cars around here. Nobody even has a black vehicle, truck, around here.

Puckett: So what did he get stopped in the other day?

Stormy: The other day he was in a black car. It was a black car that, I don't even know who the people were. I have no idea who they were. I just know that, um,

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

George has been having problems drinking, but he don't drink here because it's just not what, I don't drink and I don't do drugs. I have a new little baby. I have children and I am just very adamant about that. I don't want it a part of my life. George is going through grief right now and so, he's been drinking, but he never is here when he is drinking. He's not here tonight. He got, he got pulled over the other day. That's that last that I know of. I seen him

Puckett: Has he been staying here?

Stormy: Yeah, he stays here, but he's

Puckett: When was the last time he stayed here?

Stormy: Last time he stayed here was, well we went to Rapid City and then we came back and then he didn't even stay the night with me. So, he has been staying out at his mom's.

Puckett: Where is his mom's at?

Stormy: It's in Wamblee. She lives in Wamblee. She's the district rep person like that. So. He's been going through things and we're kinda breaking up and, or, I don't know, we're just not, I just don't agree with, you know, like his drinking, so.

Puckett: You don't know his mom's name?

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: His name, her name is Cora Yellow Elk. But that's the first thing they asked about is George. George's name got thrown out here. George ain't even here.

Puckett: Alright. Does he have any weapons that you know?

Stormy: He doesn't have anything. I know the only person that had weapons was Guy Dull Knife and when he got sick, he left and it was just the handgun and, um, he left and he took everything with him and it's been, he hasn't been back here. His wife, we're trying to get the house ready, cause the, they are going to come back. The whole plan was, um, he was supposed to be back in the spring, but he passed away, so.

Puckett: You said that was a handgun or a pistol or?

Stormy: Yeah, it was a pistol. It was the only gun that I know of. And that gun was taken to, um, to Rapid City. Anything that was his, that he had taken, and the truck only came back, um, because that was when they brought him home.

Puckett: What truck?

Stormy: This red, his, ah, the Dodge truck that's out here, that they already know about.

Puckett: What color is that?

Stormy: It's a grey truck.

Puckett: Grey truck?

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: (affirmative) The only running vehicles is my white dually, this black, this black Duramax, and then the Dodge.

Puckett: So, where is the Dodge at now?

Stormy: The Dodge is in the back. Cause we were up in, ah, we were up, people can come in here stealing from here, so.

Puckett: So, it is in, back there?

Stormy: Yeah, it's in the back, so.

Puckett: Is there anything special about that Dodge truck? Like no light bar on it or?

Stormy: There's a, there's nothing special. His dad just took real good care of his truck. That's probably it. It was a nice

Puckett: What kind of license plates does it have?

Stormy: South Dakota.

Puckett: South Dakota?

Stormy: (affirmative)

Puckett: Like, like regular South Dakota or is there, like, veteran's plates on it, or?

Stormy: He's veteran. He's got

Puckett: Their veteran?

Stormy: Yeah, he's

Puckett: Veteran's plates?

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: Yeah, he's straight up combat veteran. So, all of his stuff is, I mean they all have to know, I mean it has to be listed, as far as I know. Like when they run his plates and stuff, they gotta be know what they are dealing with.

Puckett: Yeah.

Stormy: So, I figure that would, it was under his name. He had insurance, so. Yeah. It says combat veteran on the back I think.

Puckett: On the plate?

Stormy: On the back of

Puckett: Oh, on the back window?

Stormy: I am pretty sure it does say veteran on his plates, but, I didn't look that closely.

Puckett: Does that, does that truck have a lightbar on it? Like up on top? You know how they make those big old bright lightbars?

Stormy: (negative). No lightbar on the top.

Puckett: Alrighty, so

Stormy: That truck is actually, and I will be real honest with you, I took the keys and I, I hid the keys. Because George

Puckett: Where's it at?

Stormy: The keys? The keys

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Puckett: No, the truck.

Stormy: The truck is in the back. But he, nobody knows about, where the keys are at because it belongs to his little brother and nobody is supposed to be driving it, so. That's between us. I haven't told nobody that. So I know for a fact that George and nobody has been driving that truck. Cause it don't even have lights on the front. He hit a deer and the lights got broke, so. The truck has just been parked. And that was, I don't even know how that, what happened with that either, I just, we're out here and I don't have a phone half the time or anything and I don't know what goes on out there. I don't even know much about the Corono Virus. I just know that we stay here and that's it.

Puckett: Alrighty, so.

Stormy: We had to go to Rapid City recently because our baby had something going on and so we went to the doctors outside of IHS. We just came back the other day and then, I don't know, George just, he just hasn't been here. They know that too. The police know that because they pulled him over and they know he is out there in Rap, or up there in Wamblee because they, Officer, ah, what's his name, Kevin ah, Kevin

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

something. There is two cop, there unmarked cars. They really apprehended him pretty hard the other day. I don't know what that's about, so. The people, it had to have been with the people that they were with. So. Other than that, that car was black and that was just a car, so.

Puckett: Alright, so

Stormy: So, that is the only thing I know about George right now.

Puckett: So, does George have any issues with KT?

Stormy: They don't, they say that they don't know each other. KT has been out of line with me before and I don't trust KT as far as to be around me when it comes to my daughter cause, um, and so, I don't know. Other than that they don't have any, like, disputes. They've never had any run-ins. I don't, not that I know of. Then again, they are both from these areas and they know each other. They know each other and they haven't said anything to us. But other than that, um, they haven't, there should be no reason. The only problem I have is just my daughter. I don't want my daughter to go

Puckett: Yeah.

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: with him. He don't even got a home for them to go to. You know, he is, they gotta think about things and that is my only issue. And she is not even thinking right, so, I just want my grandson to stay here. So that was the only thing that happened tonight and he pulled out and backed and ran over something. Messed his mom's car up and he start, he called me names and that's the only thing, that's as far as it went out here. And there is no guys here. There is nobody else here except me and my daughters, so. There would be no, no, anybody couldn't have said anything to him. I am not. Because I just don't, I just don't trust KT, so, just stay away from him.

Puckett: Alrighty, so, everything up to this point has been completely, completely honest, right?

Stormy: Yes, to the best of my knowledge that I know of. I have given you everything. I don't what's going on. I don't know what's happening but I don't really want to know.

Puckett: Alright, well you are going to need to know cause this, this, this is a serious case. That's why we're called out. Alright, so.

Stormy: Well, what happened?

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Puckett: So, let, let, let's go back to this, this Dodge vehicle.

Stormy: Ok.

Puckett: Ok. It's back there, right?

Stormy: Yep.

Puckett: There is no lightbar on it?

Stormy: There's no lightbar on it.

Puckett: Ok, let's go back to when he was stopped the other day. You are saying it's a black car?

Stormy: Yeah. A black car.

Puckett: I just talked to the officer that stopped him and it was a grey Dodge truck with a lightbar on it.

Stormy: No it wasn't. That truck wasn't, that's not even true.

Puckett: The one, the one they stopped in, the one that got stopped in Wamblee at the checkpoint?

Stormy: Nope. No, at the checkpoint, he worked at the checkpoint.

Puckett: Oh, he worked at the checkpoint.

Stormy: He drove that to the, to the checkpoint. The other day, Kevin, Kevin, you know who I am talking about?

Puckett: Yeah.

Stormy: The two officers

Puckett: Yeah.

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: they're, they're the ones that don't fuck around.

Puckett: So, George works at, does he still work at the checkpoint?

Stormy: No, he hasn't. He's, he doesn't, he doesn't work there no more. Um, that Dodge truck hasn't moved for like a month. A month and a half.

Puckett: Alright, so, there was a shooting.

Stormy: There was a shooting, that's what they are telling me.

Puckett: Somebody got shot.

Stormy: And it wasn't here that anybody got shot.

Puckett: It was on your road.

Stormy: I didn't hear anything. So, I don't know. I don't think that is true. There was no

Puckett: I, I have a victim get life-flighted to Rapid City right now. That was in the vehicle that left this house. And the shooting happened right on this road.

Stormy: I don't know how that could have happened because there was no, they left here, but there was nobody else here.

Puckett: So, so, we need, we need to be honest, alright?

Stormy: Yes, I am being honest with you. Nobody got shot here. I don't know

Puckett: Not, not right here, but on your highway. On your road.

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: I don't, I have no idea what you are talking about. Nobody got shot. As far as I know, I didn't hear any gunshots. You would have heard a gunshot. I'm telling you the honest truth. Nobody got shot. Not here.

Puckett: Somebody got shot.

Stormy: Well, I don't

Puckett: And it was one of the two people that you named up here.

Stormy: They left here. I know he was cussing at me and he left. And that's that last I seen of him.

Puckett: So

Stormy: There was nobody else here but me and my kids. My kids were in the house when they came up. It was, I told him he needed to leave, but he, he immediately left.

Puckett: So, if there is, eventually the whole story is going to come out. If you are not being honest and, and all this stuff is not checking out with the person that's, that's going to be arrested for this.

Stormy: What's there not to be checked out?

Puckett: You could get charged federally for lying to a federal officer.

Stormy: I am not lying to you.

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Puckett: I'm, I'm not saying you are, but

Stormy: I understand what my rights are. I understand what is going on. And you, I know what you're telling me, but I don't know anything. So, there's nothing that I'm lying to you about that you've asked me here. So you don't need to threaten me with anything.

Puckett: I am not threatening you, I am just telling you because somebody got shot.

Stormy: I just think this is...well I know and you know

Puckett: And it wasn't KT.

Stormy: Is she ok?

Puckett: I don't, she is getting life-flighted. I didn't get to talk to her. They took her straight to Bennett County before I got here.

Stormy: I don't know who could have shot her. They left here and that was it. There was nobody here. There was me and my kids that were here and that was it. I told him not to come here. I went back in the house and I didn't hear anything. She said they're supposed to come back here in an hour and pick her up and that is the only thing that was upsetting me and my family is because we don't want to be parted. Because he won't leave her alone. He wasn't invited to come here. He's hurt me before and he went to prison for a year.

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Puckett: For what?

Stormy: I, that's a good question. He was not supposed to, something that happened with a minor or something. And so, my, he was supposed to be friends with my daughter but that whole time he was trying to be with her. And so he go in trouble for some pretty serious stuff. And I just stepped away but I didn't want my daughter going with him and he choked me. Almost killed me and I had to go to the doctor. I went to the hospital and so I don't trust KT. So he came here, showed up, and he was getting all irate and I, I don't know who's around here in Red Water. There are a lot of people around here. I don't know about Guys' history and anybody else's history. I know that there's Boss that is out here. You know, there is...so I don't know. I couldn't tell you anything. There has been people coming out here stealing and pillaging. I don't know anything. All I know is that we were sitting out here

Puckett: Are there any other side roads off this main road, like to go down into any of the ravines or?

Stormy: There's none that I know of. I know that there is the one that, there's the one that, um, you go up, up here. So there is one that goes off the road and it

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

goes up here to Dad's grave. It's up here on the hill. And then there's one that goes down, down the creek and then it goes up over the field and it goes to May's, May's house or whatever. But that's like, you go outside of the, you go outside of the gate and it's, like through the gates down at the other end. And they're, they've been having that open because they've been harvesting their field. But, other than that, they're pretty on spot on things, so. They would have noticed something. But other than that, I don't know of any other roads that are around here. And they said that there was a black vehicle and there's no black vehicle here. This truck right here is the only truck that's

Puckett: It's, it's dark, you know, it could be a, a grey vehicle but because it is dark, it looks black, you know, so. At this point, we know it's a darker vehicle, possibly a dark grey, almost a bluish, you know.

Stormy: The only person I know that was driving a dark car, a SUV, was Boss.

Puckett: It was a, it was a truck.

Stormy: Cause there was no black truck, there hasn't been anybody here. I've been out here by myself with just

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

me and my kids. George has been doing his thing over there in Wamblee.

Puckett: So there's, there's a shooter still out here somewhere.

Stormy: Yeah, that's why you guys are here. That's why I asked them, should we leave. I don't know who it could be, to be honest because the only people that were here were just us. And then they left and I don't know what happened from here. There's a lot of things that are creepy that are going on around here. And I am about, well aware of it. So, I mean, I don't know if they are trying to target this house and say that it was somebody out here. I don't know. I don't really, I mean, you guys dispatched, I mean everything sounds all confusing.

Puckett: Like what?

Stormy: Just everything. And I was listening

Puckett: I don't want you to be confused so if you have a question let me know and I'll answer it the best

Stormy: Well he didn't sound like, they didn't even know if it was even here that they were, like, it didn't even sound like it came from here. I didn't hear no gunshots. That's the thing is, that's what I'm, I'm trying to understand where

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Puckett: How far off the road is your trailer from the main road?

Stormy: It's about a, I don't know, maybe like a, it's not a quarter of a mile, it's maybe a fourth of a mile. You can here a car come over the hill. I can hear somebody come up the driveway from here. I was sitting outside cause I didn't want my daughter to leave with them. And that's what they were trying to do. They were trying to take her. He was just like, come on, come home. And he just got pissed off at me and called me a bitch and there's just no reason for that. I just don't think that's right. I mean, if a guy can do that to me, you know, he feels like he's going to lose her, I mean this is in my mind, that is why I don't want her to go. So that was the only dispute and when he left, I seen them drive down the way like that. I didn't hear no gunshots.

Puckett: You didn't see no other vehicles pull in behind them?

Stormy: No, there was nobody else here. This is the only cars that are here, is right here and I have a trailer hooked to this and I have my truck, this black truck and you can't drive that. You can look at it, the wheels are about to fall off. You can't even start it right now.

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Puckett: Well, I am going to give you a card if, if, if you think of anything else or hear of anything, cause, I mean, if they were targeting KT, they shot the wrong person.

Stormy: I don't know why they would be targeting him. Who would be targeting him? He' he's

Puckett: I have no idea.

Stormy: And he is from this, he comes up here and he parties around here. He knows other people. So I don't know and I don't, and I, but there's

Puckett: That's what we are trying to figure out. None of us know, you know. We're trying to talk to everybody that we possibly can.

Stormy: And to be honest, like, I don't, I didn't really know the history of this, or anything about this family, I just know that, I know, I knew Guy and I came out here to help because he was sick and I do that, I help out with elders. And then me and George ended up getting together. But, I had a, the cops come out here before, where's George at? Where's the guns at? I mean, it's always this and I don't have any frickin clue what's, what they are talking about half the time. I think it is really unfair cause I don't, I really don't know what's going on half the time. I

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

don't know the history and, of what is going on here, so. All I know is that I have my kids and we are all, everything, like, every so often there is cops barreling in here. Every other month it seems like. I don't know what is going on. I know we are all safe. Nobody has hurt us. He came in, I let him come in, he seen all of us. There was no corruption, nothing, you know. Like nobody was upset or anything, it just, I just asked KT to leave. I said just, I don't want to concern my kids and then my little grandson knew something was going on with him, so, he just doesn't, he was really clingy to me. He doesn't want to go nowhere. I told my daughter, he needs to just stay. You guys just need to stay. Not that he is doing anything wrong, she hasn't even been around him for two weeks. My sister came from Oregon and they just got back from the Sundance, they went to one Sundance that was phony and we told them not to go there because that, um, guy is a, Guy, he pointed out a lot of, they call that a lot of fake medicine men around here and he was one of them. So she got told and she still went, but she learned herself. And so anyways, they ended up going to Leonard Crow Dog's Sundance. That ended two days ago and they just got

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

back yesterday. And then my sister left. And they were the only other vehicle and she has a green truck and that, but they left yesterday. But there's never a red truck that comes out here. Nobody's been coming here at all. Every once in a while, though, Boss will come out here. That's the only person, he's always got a black type of car. Black, grey. The other night, there was a Darwin that came out with a black car and the lady looked like she was on drugs.

Puckett: Who is Boss?

Stormy: Boss is the first born son here.

Puckett: What's his name?

Stormy: His name is Boss Dull Knife, I guess, I don't know.

Puckett: And you said he drives a?

Stormy: He usually drives like a black car or he drives a black SUV. That's the only other person that I know, I haven't seen him drove the SUV since he, cause he got arrested from here, a while back.

Puckett: And then you said Darwin, who's Darwin?

Stormy: I don't know, I just got introduced to him the other night. We were probably, not the other night, but, it was about a week ago.

Puckett: What kind of car does he drive?

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: He drove, drives like, it was like, I don't know, they were not black. PT Cruiser or whatever. Something like that. And there was a girl that was ?, I don't know man, he was, it looked like they were up to no good. I really wasn't happy with them. I don't, I don't like that. I don't like drugs and alcohol. I don't want to associate with it. So, all I know is, um, we're supposed to be here caretaking this place and I got my kids here and I just don't want no problems. And so, everything that I told you, Carmen and KT did come here, but they left and there was nobody here when they were here and that is the honest truth. They left

Puckett: Is that the highway right there?

Stormy: Yep, you can see the highway from here.

Puckett: Alright. Well, there is my card. Thanks for your information.

Stormy: She's, she's ok isn't she though?

Puckett: Like I said, I don't know. She's, they took her, I got called and I came straight to their car over there by Wamblee. And there, she was already on the way to the hospital. Is your daughter up?

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: They are all sleeping right now. I was the only one waiting up cause they said you guys wanted to talk to me, so.

Puckett: Well, I need to talk to her. Want to, probably not tonight if she is asleep, but tomorrow for sure.

Stormy: Ok. Yeah, I got a little infant and her baby's in there too, so. We've, or I've got puppies that are dying so it's kinda, like, all crazy right now. And then this is going on and my little girl is attached to Wasko and she is all upset because she don't want Wasko to go.

Puckett: How do you say her name? Wa

Stormy: Waskoness.

Puckett: Waskoness.

Stormy: Yeah. And so, she is going to be really sad when, when she hears about Carmen. I get along with Carmen. I just know, I mean we do now because we have a grandson, but I just know that they are the ones that are always been hostile towards me and, towards me and my, well towards me because I have always been against him being with my daughter. She's like, he's like, I don't know, now I know he is six years older, but we went up to that Dapple thing, or whatever, and that's how we found, and then he found us out in Oregon and,

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

it's just like, he's always coming around and I don't trust him. I don't trust the way that he acts. He really acts weird about things and he gets, like, I don't know how to explain it, but, it's just like, he just panics and, like, do anything to keep her, possessive to me. It's not healthy. I don't want my daughter around him with my grandson. I did the right thing. I didn't let them go. And that's all I know. We went back inside and I, she wasn't, she was out here me for a minute, but she went inside. Because she knows how they get, but other than that, he was the only

Puckett: And, and she told him to come back in an hour?

Stormy: She told him, they were supposed, they said, he said he was going to come back in an hour. She said, I don't have my things ready or anything. And so, I don't know if she is lying to me or not either, but none of us have a phone or internet. So I don't know how he knew to, he just came here. And, um, I don't know, he's not on

Puckett: Maybe she contacted him with your sister's phone?

Stormy: She's been here, she hasn't been using it.

Puckett: Like, after they got out

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: Yeah, yesterday, yesterday maybe they did, but I, and I talked to him on the phone and I told him, I said, don't come here. I just told him, don't come here because he just, I don't like the way that he acts. He choked me to the point to where I seen light and so I just don't ever trust him. That was a long time ago. That is just how he gets, possessive over her and that, to me, that is a red flag. And if he could do that to me and he feels like he is going to lose her, that is my only problem, you know? And so, um, it is never good when he freaks out like this and that is what he was doing, was freaking out. Calling me names and screaming and everything else like that.

Puckett: Alrighty, well we are going to be here for quite some time, so if you look out and you see us here, then, alrighty.

Stormy: Well what do you mean, quite some time?

Puckett: Well, we gotta, I'll explain it to you later. After I get, get all my paperwork done.

Stormy: Ok, well, I just want to know everything right now. I don't want to know later because I am just, just want to know what is going to happen. I've already, I've already been through enough. We've got puppies dying, my kids are attached to them, my daughter is try, just

came back and we've always been together and I wish KT would just leave us alone. I don't understand what's going on. I don't understand what happened. And I don't want to know. I just want us to be left alone. I don't know what happened and I, I'm telling you everything right now and I just think it's so unfair that we have to keep going through this. Because they think something. And nine out of ten times it's not, like they come here looking for George and, last time, George wasn't even here, he was at sweat and things were actually good. You know. Another time we were walking to the store and a drunk got, attacked him. He went to jail. And he was sober, but he went to jail and the drunk guy got, I mean, it's just things like that, that just, I mean I have worked with, you know, like domestic violence things or different situations with the police, and it's just that, you know, gone down differently. And, so, I just know that there a lot of times is false accusations and people

Puckett: Well this ain't false, I mean, somebody got shot here. Alright. That's, that's facts.

Stormy: They didn't get shot here.

Puckett: On this property.

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

?: Not right here.

Puckett: Well, on the road.

Stormy: I don't know if, about that. I don't, I can't really tell you that that really happened.

Puckett: I, I know what I know is that somebody got shot.

Stormy: I am telling you that nobody got shot on this property. They left

Puckett: How far does this property go?

Stormy: This property goes, you come down the road, that's it.

Puckett: Yeah. All the way to the highway?

Stormy: That's it, yeah. It goes all the way to the highway.

Puckett: And then how far this way?

Stormy: That way? It's, then it's the Mays, um, it goes to the Mays. There's like a fence line and

Puckett: How far over that way? Not too far?

Stormy: About the same length to this.

Puckett: Oh.

Stormy: And right now they've got it all shut off because they've got, they've been harvesting, so all of our horses are in their pasture and it's just kinda like their thing right now so we, they have a lease between his dad and them, so, there's, we can't really go other places on here because they are doing things. Like growing stuff. Like growing wheat and sugar and

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020.

then they've got their cows that they had here for a while. So really all we got is just this area right here because everything else is leased out. And, so other than that, there is no other roads except for this road right here that we come in on. And there was no shooting here. So I don't know when that could have happened. If it even happened here. There's been a lot of weird things going on out here. Not just here, but, I'm just saying when I say out here, but out here on the rez. I am well aware of everything.

Puckett: Alrighty, well, I am getting a search warrant for the property.

Stormy: Ok.

Puckett: Um, and then I just gotta wait for that to get signed. Um, that's going to a federal judge up in Rapid, so that's, I am waiting for that to get all figured out. And then we will be, we will be out here for quite some time so we could be here till 4:00, we could be here till 10:00 tomorrow, so. Alrighty?

Stormy: So, do I have to sit here the whole time?

Puckett: No, no. We're done here. Um, like I said, you've got my phone number if you hear anything about it, give me a call.

US v. Kimberlee (Stormy) Pitawanakwat
Interview 8/6/2020

Stormy: Alright then. Well you have a good night.

Puckett: Yep, you too. Sorry to bother you all night.

Stormy: That's all right. Do you guys need to talk to me
anymore?

End of recording.
